PlainMile Demo - Overview

This sample document contains four pages.

Each page has selectable text for conversion tests.

Original source remains unchanged after editing.

PlainMile Demo - Checklist

Review page order before exporting a PDF.

You can rotate this page or delete another page.

Try splitting the document into pages 1-2 and 3-4.

PlainMile Demo - Summary

Project status is green.

Extract pages 4 and 2-3 to check custom order.

No personal information appears in this demonstration.

PlainMile Demo - Notes

This is the fourth and final page.

A split at page 2 produces two two-page PDFs.

Test files are public examples, not private uploads.
